Avocado Sandwich

Ingredients: (For 4 pieces)

- 8 large slices of toast
- 1 ripe avocado
- 12 slices of bacon
- 4-6 cocktail tomatoes
- 4 slices of cheese, according to taste
- Salt and pepper

Preparation:

1. Pit the avocado, detach the flesh, as possible in the whole, off the skin and then cut into thin slices.
2. Wash the cherry tomatoes and cut them into slices, as well.
3. Brown the bacon in a frying pan and drain on kitchen paper.
4. The slices of bread can you either toast - or how to do in my case briefly on a grill pan - or use cold.
5. Now garnish the sandwiches with cheese, avocado, tomato and 3 slices of bacon each. Season your sandwiches finally with salt and pepper - most directly onto the avocado and let it taste you ☐
