

## heute gibt es... Schoko Crossies

### Ingredients(About 30 pieces)

- 200g chocolate
- 100g Cornflakes (ungezuckert!)

### Preparation:

1. Chop chocolate into chunks or break and melt in a double boiler.
2. The cornflakes in a bowl filling, add the melted chocolate and everything mix well with a spoon, so that the corn flakes are completely coated with chocolate.  
**Hint:** At this point you can decide how coarse your chocolate Crossies to be himself later. Depending on their crushed when mixing the flakes slightly more or less.
3. always take a small amount of chocolate mass now with the spoon and onto the work surface mold the chocolate Crossies.  
It is important only that touch the chocolate-coated cornflakes a confection.
4. Once the chocolate has dried, the chocolate Crossies can e.g. be removed by a spatula from the work surface and best stored in a cookie jar.
